

ACoP 2026 Poster Presenter Toolkit

Welcome

Congratulations on having your abstract accepted for presentation at the Annual Meeting of the International Society of Pharmacometrics (ACoP 2026) (ICoP-US), taking place October 11–14, 2026, at the Gaylord National Resort & Convention Center in National Harbor, Maryland.

This toolkit provides everything you need to prepare for a successful poster presentation, including poster requirements, upload instructions, onsite logistics, and presenter expectations.

Please review this document carefully and complete all required tasks before arriving at the meeting.

Conference Poster Harvester

ACoP 2026 uses the Conference Poster Harvester platform exclusively for poster presenters.

The Poster Harvester serves as the central location for:

- Presenter Profile, including photo
- Presentation management tasks
- Presenter Disclosure
- Optional Poster uploads
- Optional poster audio recordings
- Optional Personalized QR code
- Social Media Graphic Asset

Each presenter will receive a personalized Access Key that provides access to their individual profile and assigned tasks.

Access Information

Your personalized access details will be provided in your confirmation email.

Important: Please log in as soon as possible and complete all required tasks before the conference.

Poster Presentation Information

Your confirmation notification includes:

- Poster Number
- Poster Title
- Presentation Date
- Presentation Location

All posters will be displayed in:

Prince George Exhibit Hall D, Gaylord National Harbor

Posters will be presented on designated days throughout the conference.

Physical Poster Specifications

For optimal viewing and consistency across the poster hall, all posters should be prepared using the following specifications:

Required Dimensions

- Width: 36 inches (91.5 cm)
- Height: 48 inches (122 cm)
- Orientation: Portrait (vertical)
- Posters larger than 36 inches x 48 inches will not be displayed

Mounting

- Pushpins will be provided onsite.
- Poster boards will be labeled with your assigned poster number.
- Please verify your poster number before mounting your poster.

Recommended Design Best Practices

To maximize readability in a large conference environment:

Title

- Minimum 72–100 pt font
- Clearly visible from several feet away

Section Headers

- Minimum 32–44 pt font

Body Text

- Minimum 24–28 pt font

Figures and Tables

- Use high-resolution images

- Avoid overcrowding
- Ensure axes, labels, and legends are readable

General Design Tips

- Use concise text and clear visuals
- Limit the amount of text on the poster
- Use color strategically to guide readers
- Maintain strong contrast between text and background
- Leave adequate white space

Optional Poster Template

A poster template is available for download in the Conference Poster Harvester platform. Presenters are welcome to use it as a guide when designing their poster; however, use of the template is optional, provided the poster meets the required size and orientation specifications.

Artificial Intelligence (AI) Disclosure

If artificial intelligence tools were used in the preparation of your poster content, please include an AI disclosure statement on the poster.

Disclosure Template

During the preparation of this work, the author(s) used [NAME TOOL / SERVICE] in order to [REASON]. After using this tool/service, the author(s) reviewed and edited the content as needed and take(s) full responsibility for the content of the publication.

Examples Requiring Disclosure

- Generating text content
- Summarizing information
- Creating figures or images
- Data visualization assistance

Examples Not Requiring Disclosure

Basic tools used only for:

- Grammar checking
- Spell checking
- Reference management
- Formatting assistance

If no disclosure is required, no statement needs to be included.

Poster Highlight Sessions

To recognize exceptional scientific contributions, a select group of abstracts will be invited to participate in the **ACoP Poster Highlight Sessions** during the Annual Meeting. These guided poster walk sessions provide an opportunity for presenters to showcase their research to a broader audience, facilitate scientific exchange, and engage in discussion with meeting attendees and subject matter experts.

Poster Highlight Sessions participants will be notified as part of the abstract acceptance process and will receive additional scheduling details prior to the meeting.

Poster Highlight Session Expectations

- Poster Highlight Sessions will be facilitated by designated session moderators.

- Presenters should be prepared to provide a concise **3-minute overview** highlighting the significance, key findings, and potential impact of their work.
- Following the presentation, attendees and moderators may engage presenters in discussion and ask questions related to the research.
- Presenters are expected to remain at their posters throughout their assigned Poster Highlight session.
- Presentation slides or other audiovisual materials will not be used during Poster Highlight Sessions.

The goal of these sessions is to foster meaningful scientific dialogue and increase visibility for noteworthy research presented at the meeting.

Oral Poster Roller Coaster Sessions

A select group of abstracts will be chosen by the ACoP Abstract and Scientific Programming Committee for presentation during the Roller Coaster Sessions at the Annual Meeting. These sessions highlight noteworthy scientific contributions and provide presenters with an opportunity to share their research with a broad audience. Authors of selected abstracts will be notified during the abstract acceptance process and will receive additional details regarding presentation requirements and session scheduling.

Presenter Expectations

Presenters are expected to:

- Mount posters on time
- Be available during designated viewing periods
- Engage with attendees and answer questions
- Remove posters during the designated removal period

No Show Policy

Failure to present an accepted poster will affect eligibility for future abstract submissions to ACoP.

Poster Removal

Posters left after the designated removal period will be discarded.

Neither ISoP nor ACoP is responsible for posters that are lost, damaged, or discarded after the removal deadline.

Digital Poster Upload (Optional)

Poster upload is encouraged but not required.

Uploaded posters will be available to attendees through the conference platform and App and may be archived in the ACoP abstract repository following the meeting.

Upload Deadline

All optional uploads must be completed by Monday, September 28, 2026.

Digital Poster Specifications

File Format

PDF only

Requirements

- Single-page PDF
- Highest resolution possible
- One-sided/ One page poster only
- Portrait
- Sans-serif fonts (Arial, Calibri, Helvetica, etc.)
- Minimum font size: 6 pt
- Any animations or embedded videos will be wiped during the publishing process.

File Naming Convention

Please name your file exactly as follows:

PosterNumber_LastName

Example:

M-002_Doe.pdf

Failure to use the correct naming format may prevent your poster from being properly archived.

Optional Poster Audio Recording

The Poster Harvester includes an option to record an audio overview of your poster.

Benefits include:

- Increased attendee engagement
- Additional visibility
- Improved accessibility
- Opportunity to explain key findings directly

Recording Guidelines

- Maximum length: 3 minutes
- Focus on:
 - Research objective
 - Methods
 - Key findings
 - Main conclusions

Suggested Recording Structure

1. Introduction (30 seconds)
 2. Methods (45 seconds)
 3. Results (1 minute)
 4. Conclusions and Impact (45 seconds)

Personalized Poster QR Code

To enhance attendee engagement, each poster presenter has the opportunity to include a personalized QR code in the bottom-right corner of their poster.

When attendees scan this QR code using their mobile device, they will be taken directly to your poster record within the ACoP conference app, where they can view your abstract and any uploaded poster PDF or audio presentation associated with your submission.

Please download and incorporate your personalized QR code into your poster before printing. We recommend placing the QR code in the lower-right corner and ensuring it remains large enough to be easily scanned.

DOI Information

All accepted abstracts will receive a DOI after presentation at ACoP. If you wish to include your poster pdf with the abstract, it must be uploaded by Monday, September 28, 2026, as they will be added to the [ICoP Series collection](#) on ScienceOpen in the months following the conclusion of the Conference.

Tips for a Successful Poster Presentation

Before the Meeting

- ✓ Review conference schedules in advance
- ✓ Verify your poster number and presentation day
- ✓ Practice a 2–3-minute summary
- ✓ Prepare a 30-second “elevator pitch”
- ✓ Bring a digital copy of your poster

During the Session

- ✓ Stand near your poster
- ✓ Make eye contact and welcome attendees
- ✓ Ask visitors about their interests
- ✓ Tailor explanations to different audiences
- ✓ Exchange contact information when appropriate

Networking Opportunities

Poster sessions are among the most valuable networking events at ACoP. Consider:

- Connecting with researchers in your field
- Meeting industry scientists
- Discussing future collaborations
- Sharing contact information and LinkedIn profiles
- Following up with interested attendees after the meeting
